

Bat Treat Cup

Materials

- tin can
- paper plate
- paint
- wiggle eyes
- craft glue
- scissors
- paint brush

Directions

- 1) Paint the outside of the tin can and the entire paper plate black
- 2) Paint a mouth on the one side of the tin can
- 3) Add the wiggle eyes (you can paint the eyes on if you like)
- 4) Once the paint is dry, cut the paper plate in half
- 5) Along the straight edge of half the paper plate, cut a scalloped edge to make the bat's wings
- 6) Glue the wings on the side of the can, opposite the face
- 7) Let the glue dry before you move the Bat Treat Cup around!
