

Crawling Caterpillars

Materials

- construction paper
- crayons or markers
- paper plates
- yarn or pipe cleaners

Directions

- 1) On the backs of paper plates, draw and color your own caterpillar
- 2) With glue, attach your plates to each other so the caterpillar looks like it's crawling
- 3) Glue pre-cut yarn to the plates for tufts, antennae, and feet
- 4) Let the caterpillar air-dry

*Adults should supervise children with this craft
